PROGRAM DETAILS

WHY PARTICIPATE?

The CAI-IL Annual Partner Program keeps your company visible and connected throughout the year through chapter events, education, communications, and networking opportunities helping you strengthen your brand and build valuable relationships within the community association industry.

As an Annual Partner, you'll have year-round opportunities to connect with your target audience through promotion, advertising, and face-to-face engagement. CAI-IL reaches nearly 1,800 engaged members representing more than 100,000 homeowners and community association professionals, giving your company valuable access to the people who influence and make purchasing decisions.

Your partnership also makes an impact beyond your business. Annual Partner support helps CAI-IL provide education, advocacy, resources, and programs that strengthen the community association industry. It's an investment in growing your business, supporting the industry, and helping CAI-IL continue to serve communities throughout Illinois.

MANAGEMENT COMPANY COPPER PARTNERS

Management companies often partner with CAI-IL for different reasons than business partners. That's why we offer a customized Copper-level option designed specifically for management companies. This flexible partnership allows you to use flex funds to send managers to education programs and social events, upgrade sponsorships, or invest in advertising. It's an efficient way to support your team, boost visibility, and stay connected to the community association industry.

PARTNER BENEFITS

Annual Partners receive an unparalleled range of benefits. Many are tangible, including enhanced advertising placements, flex dollars to use toward additional sponsorships, and special recognition as an Annual Partner. Others provide valuable year-round visibility, helping build brand awareness and strengthen your company's presence within the industry.

Recognition as an Annual Partner means your company will be featured on event signage, included in printed marketing materials, and receive ongoing recognition and thanks throughout the year.

PARTNERSHIP TERMS

All events and advertising require you to register or create an insertion order to activate your partnership credits. Partnership participation requires you to hold a current membership with CAI, which is separate from partnership. All 2027 unused partnership credits expire on December 31, 2027.
